# AMS Travel Grants

## for MCA 2021 in Buenos Aires, Argentina

## July 19–24, 2021

With funding from the NSF, the AMS will administer a selection and award process for partial travel support for up to 50 US mathematicians attending the Mathematical Congress of the Americas (MCA) scheduled for July 19–24, 2021, in Buenos Aires, Argentina.

Instructions on how to apply are available on the AMS website at **www.ams.org/mca** in early September.

This travel grants program will be administered by the Programs Department, AMS, 201 Charles Street, Providence, RI 02904-2213.

For questions or more information, contact Kim Kuda by email at **kak@ams.org** or by phone at **800.321.4267, ext. 4096** or **401.455.4096**.

All information currently available about the MCA 2021 program, organization, and registration procedure is located on the MCA 2021 website:
