

Short Course Subcommittee of the Program Committee for National Meetings

General Description

- Committee is standing
- Number of members is seven
- Term is three years

Principal Activities

This subcommittee of the standing AMS Program Committee for National Meetings is charged with the generation and sponsorship of short courses on fields of application of mathematics, directed to mathematicians seeking professional development and continuing education. The short courses will be held in conjunction with the Annual and Summer Joint Mathematics Meetings. It is expected that the proceedings of such short courses will be published in the series *PROCEEDINGS OF SYMPOSIA IN APPLIED MATHEMATICS*.

Other Activities

Miscellaneous Information

There is staff support for the Subcommittee from the Providence office, both for committee activities and for the coordination of the short course programs. Partial travel expenses for subcommittee members will be reimbursed.

An explanation of travel expense reimbursement of volunteers for this committee is attached. This committee has been designated at **LEVEL D**.

Note to the Chair

Committee chairs should be informed, at the beginning of each fiscal period, the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement to, accommodations for, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.

Authorization

Council minutes: March 21, 1991

MXF 4/18/91; updated 8/94; 5/95; 4/99; 8/09
