Miscellaneous Information

The Committee does its work by mail, electronic mail, telephone and usually one face-to-face meeting a year. Members are reimbursed for travel and incidental expenses that are not covered from some other source for attending these meetings. Normal expenses such as telephone and postage are also reimbursed by the Society.

An explanation of travel and expense reimbursement of volunteers for this committee is enclosed. This committee has been designated at **LEVEL B**.

Established January 1999 Council as Epsilon Program; changed to Young Scholars Program by the January 2001 Council.

Note to the Chair

Committee chairs should be informed, at the beginning of each fiscal period, the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement to, accommodations for, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.
