

# Levi L. Conant Prize Selection Committee

## General Description

- Committee is standing
- Number of members is three
- Term is three years

## Principal Activities

Annually make recommendations to the Executive Committee of the AMS Council about the winner of the Levi L. Conant Prize, for the best expository paper published in either the *Notices* or the *Bulletin of the American Mathematical Society* during the preceding five years. The award amount is \$1,000.

## Other Activities

## Miscellaneous Information

The business of this committee can be done by mail, electronic mail, or telephone, expenses which may be reimbursed by the Society.

## Note to the Chair

Committee chairs should be informed, at the beginning of each fiscal period, of the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement, accommodations, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.

## Authorization

Standing committee was suggested by CPROF in October 2000 and created by the Council in April 2000. *Updated: 8/09; 7/13 membership, winner, edited Note to the Chair*

## Past Members
