

History of Mathematics Editorial Committee

General Description

- Committee is standing
- Number of members is four
- Term is four years

Principal Activities

1. The main aspect of the Committee's activity is to evaluate and recommend suitable books for publication in the History of Mathematics book series.
2. The majority of proposals will come to the Committee from AMS Acquisitions Editors. However, members of the Editorial Committee may also solicit proposals for the series.

Other Activities

Miscellaneous Information

The AMS committee members and chair are appointed by the President, upon nomination by the Editorial Boards Committee. Travel reimbursement for this committee has been designated at **LEVEL B**.

Note to the Chair

Committee chairs should be informed, at the beginning of each fiscal period, of the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement, accommodations, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.
