Miscellaneous Information
The Managing Editor, who will chair the Editorial Committee, will be elected by the Council, upon the recommendation of the Editorial Boards Committee (EBC). The Managing Editor and the Editorial Committee are supported by a board of associate editors who are appointed by the President upon the recommendation of the EBC. Travel reimbursement for this committee has been designated at LEVEL B. Associate Editors are not eligible for travel, only the Managing Editor and the Editorial Committee.

Editors normally serve no more than two consecutive terms.

*Note to the Chair*
Committee chairs should be informed, at the beginning of each fiscal period, of the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement, accommodations, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.
