

# Joint Mathematics Meetings Travel Grants Committee

## General Description

- Committee is standing.
- Number of members is three, appointed by the President.
- Term is three years.

## Principal Activities

The committee selects travel grant awardees to the Joint Mathematics Meetings.

The awards, not to exceed US\$500, must be matched by travel funds from the student's institution. Applications were accepted ONLY from doctoral students in mathematics who are in their last year of study; i.e., applicants must not have received their doctoral degrees before the travel takes place but must expect to receive them no later than August of the upcoming year. No student shall receive a grant more than once. Funding is provided on a reimbursement basis.

## Other Activities

### Miscellaneous Information

The business of this committee can be done by mail, electronic mail, or telephone, expenses which may be reimbursed by the Society.

### *Note to the Chair*

Committee chairs should be informed, at the beginning of each fiscal period, of the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement, accommodations, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.

### Authorization

Authorization for the committee arose from the 01/12/2010 Council mtg; Item 3.2.
