Miscellaneous Information
The chair of the Editorial Committee, who is also Managing Editor of the journal, will be appointed by the Council, upon nomination by the Editorial Boards Committee (EBC). Editors are appointed by the President upon recommendation of the EBC in consultation with the Managing Editor. Associate Editors are appointed by the President upon recommendation of the Editors and the approval of the EBC. The term of Associate Editors is four years. This committee will conduct, at most, one meeting per year. Travel reimbursement for this committee has been designated at LEVEL B.

Members normally serve no more than two consecutive terms.

*Note to the Chair*
Committee chairs should be informed, at the beginning of each fiscal period, of the budget of their committees and cautioned to remain within the budget. Such items as travel reimbursement, accommodations, and meals for guests of any kind fall within these budgets.

Work done by committees on recurring problems may have value as precedent or work done may have historical interest. Because of this, the Council has requested that a central file system be maintained for the Society by the Secretary. Committees are reminded that a copy of every sheet of paper should be deposited (say once a year) in this central file. Confidential material should be noted, so that it can be handled in a confidential manner.
Authorization
