Mohamud G Mohammed* (mohammed@math.temple.edu), 110 South 42nd, Apt. 3R,
Philadelphai, PA 19104, and **Doron Zeilberger** (zeilberg@math.temple.edu). *Automatic
generation of enumerating series for Wilf classes*. Preliminary report.

We will describe algorithm for automatically generating enumerating series for permutations with forbidden patterns
(also known as Wilf Classes). (Received August 28, 2000)
