

**Meeting:** 1003, Atlanta, Georgia, MAA CP K1, MAA Session on Countering “I Can’t Do Math”: Strategies for Teaching Under-Prepared, Math-Anxious Students

1003-K1-681      **AbdelNaser Al-Hasan\*** (alhasana@mtmary.edu), 2900 N. Menomonee River Parkway, Milwaukee, WI 53222, **Laurel End** (endl@mtmary.edu), 2900 N. Menomonee River Parkway, Milwaukee, WI 53222, and **Karen Friedlen** (friedlek@mtmary.edu), 2900 N. Menomonee River Parkway, Milwaukee, WI 53222. *Collaborative Effort to Address Math Anxiety*. Preliminary report.

At private Catholic College in the Midwest, a collaborative effort between the departments of Mathematics/Computer Science and Behavioral Science was established to develop a survey to measure the effect of math anxiety and other affective factors on students’ mathematical skills and their performance in mathematics courses and courses with strong mathematical component.
