

1035-C1-1754 **Patricia Hale*** (phale@csupomona.edu), California State Polytechnic University, Department of Mathematics and Statistics, 3801 W Temple AVE, Pomona, CA 91768. *The Women's Education Equity Act: Increasing the Representation of Women in Advanced Mathematics.*

With a grant provided under the Women's Education Equity Act (WEEA), Cal Poly Pomona has been supporting research done by undergraduate women in mathematics and other scientific fields. How the WEEA Program is set up, and the impact it has had on the achievement of program participants will be presented. (Received September 20, 2007)
