

Meeting: 1004, Bowling Green, Kentucky, SS 9A, Special Session on L-Functions

1004-11-122 **Akshay Venkatesh***, Courant Institute of Mathematical Sciences, New York, NY 10012.

Subconvexity for L-functions.

I'll discuss a geometric method of obtaining "subconvexity bounds" for L-functions. (Received January 20, 2005)
