

1086-VP-1889 **Yun Lu***, Mathematics Department, Kutztown University of PA, Kutztown, PA 19530. *Projects in Finite Mathematics Courses.*

I teach finite mathematics regularly at my school, and this course focuses on the application of mathematical concepts and methods to problems that arise for students who major in Business or Computer Science. I have used various projects in this course for a couple of years. In this talk I will share some of my experience with the audience including the conduction of the projects, presentation and the evaluation of the students' work, as well as the students' feedback.
