1037-20-315   **Kim E Ruane*** (`kim.ruane@tufts.edu`), Mathematic Department, Bromfield-Pearson Building, Tufts University, Medford, MA 02155, and **Adam Piggott** and **Mauricio Gutierrez**. *The Automorphism Group of a Right-angled Coxeter Group.*

In this talk, I will discuss some recent joint work on the automorphism group of a right-angled Coxeter group. The main results are algebraic in nature, but there are many interesting geometric corollaries that I will focus on in this talk. (Received February 05, 2008)
