Mathematician's Apology.*

The year 2015 was the 75th anniversary of the appearance of G.H. Hardy's *A Mathematician's Apology*. When its second edition appeared in 1967, one well-known critic predicted that "it won't make a nickel for anyone." We explore the history of the book as well as the controversy that continues to surround it. (Received September 10, 2015)
