

1116-J5-908      **Audrey Malagon\*** (amalagon@vwc.edu). *A Mathematical Easter Egg Hunt in IBL Proofs Course*. Preliminary report.

Over the past 3 years, Virginia Wesleyan College has been implementing an inquiry based introduction to proofs course. This talk highlights a hands on activity used to help students study relations by searching for elements in their relation in a friendly but competitive Easter egg hunt during our spring course.
