**Antun Milas\*** ([antun.milas@gmail.com](mailto:antun.milas@gmail.com)), Albany, NY 12222. *ADE classification and the triplet vertex algebra.*

I will discuss representation theory, and the related combinatorics, of orbifold subalgebras of the triplet vertex algebra. The talk is based on a joint work with D. Adamovic and X. Lin. (Received August 19, 2013)
