**Jairo Z Goncalves\*** ([jz.goncalves@usp.br](mailto:jz.goncalves@usp.br)), Rua do Matao 1010, Sao Paulo, SP 05508-090. *My collaboration with Don Passman.*

In this article I highlight some facts from my collaboration with Don Passman, from 1996 to the present time: from our first paper in group rings, till our recent investigations on the existence of free groups in the multiplicative group of division rings.
