Kenneth L Baker* (kb@math.miami.edu), 1365 Memorial Drive, 515 Ungar, Mathematics, Coral Gables, FL 33146, and Kimihiko Motegi and Toshie Takata. *On some satellites and slope conjectures.*

We discuss technicalities and progress on confirming the Slope Conjecture of Garoufalidis and the Strong Slope Conjecture of Kalfagianni-Tran for various classes of satellite knots. (Received January 28, 2019)
