CORRIGENDA

p. 124, formula (36), add to the last right-side term the factor $\xi$.

p. 124, immediately preceding formula (36), add, "for a sufficiently small positive $\xi$.”

p. 124, end of section 21, add, "replacing $a_1 + a_2$ by $a_1 + a_2 + \xi(n - 2)$.”

WALTER GAUTSCHI

Notes, MTAC, v. 12, 1958, p. 319, item (4) announces the publication of the monograph series Acta Polytechnica, Applied Mathematics and Computing Machinery Series. The more accurate title of this series is Acta Polytechnica Scandinavica, Mathematics and Computing Machinery Series. This joint Scandinavian series is published under the auspices of the Scandinavian Council for Applied Research.
