The Department of Mathematics (www.math.ethz.ch) at ETH Zurich invites applications for the above-mentioned position.

Successful candidates have an outstanding research record and a proven ability to direct research work of high quality. The new professor will be expected, together with other members of the Department, to teach undergraduate level courses (German or English) and graduate level courses (English) for students of mathematics, natural sciences and engineering. Willingness to participate in collaborative work both within and outside the school is expected.

Please apply online at www.facultyaffairs.ethz.ch

Applications include a curriculum vitae, a list of publications, a statement of future research and teaching interests, and a description of the three most important achievements. The letter of application should be addressed to the President of ETH Zurich, Prof. Dr. Lino Guzzella. The closing date for applications is 28 February 2017. ETH Zurich is an equal opportunity and family friendly employer and is further responsive to the needs of dual career couples. We specifically encourage women to apply.
