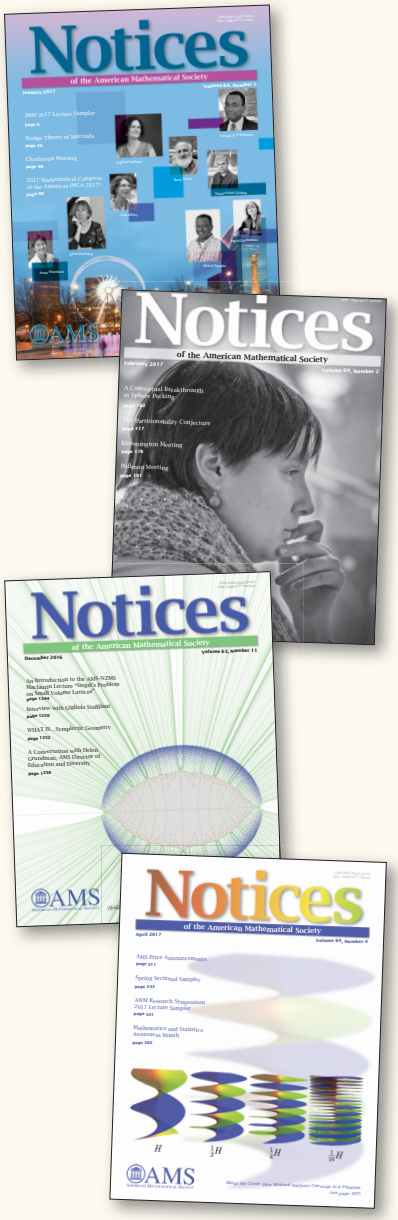
Call for Applications & Nominations

Chief Editor of the *Notices*



Applications and nominations are invited for the position of Chief Editor of the *Notices of the American Mathematical Society*, to commence with the January 2019 issue. The Society seeks an individual with strong mathematical research experience, broad mathematical interests, and a commitment to communicating mathematics to a diverse audience at a wide range of levels. The applicant must demonstrate excellent written communication skills.

The Chief Editor has editorial responsibility for a major portion of the *Notices* within broad guidelines. The goal of the *Notices* is to serve all mathematicians by providing a lively and informative magazine containing exposition about mathematics and mathematicians, and information about the profession and the Society.

The Chief Editor is assisted by a board of Associate Editors, nominated by the Chief Editor, who help to fashion the contents of the *Notices* and solicit material for publication. Some writing, and all publication support, will be provided by AMS staff. The Chief Editor will operate from her or his home base. Compensation will be negotiated for this half-time position and local part-time secretarial support will be provided. In order to begin working on the January 2019 issue, some editorial work would begin in early 2018.

Nominations and applications (including curriculum vitae) should be sent to the Chair of the Search Committee, Executive Director Catherine A. Roberts, at `exdir@ams.org`. Confidential inquiries may also be sent directly to Catherine A. Roberts or to any other member of the Search Committee (David Jerison, Mary Pugh, Kenneth Ribet, or Carla Savage).

To receive full consideration, nominations and applications should be sent on or before **September 15, 2017**.
