

2020 Mathematics Research Communities

Opportunity for Researchers in All Areas of Mathematics

How would you like to organize a weeklong summer conference and ...

- Spend it on your own current research with motivated, able, early-career mathematicians;
- Work with, and mentor, these early-career participants in a relaxed and informal setting;
- Have all logistics handled;
- Contribute widely to excellence and professionalism in the mathematical realm?

These opportunities can be realized by **organizer teams** for the American Mathematical Society's Mathematics Research Communities (MRC).

Through the MRC program, **participants** form self-sustaining cohorts centered on mathematical research areas of common interest by:

- Attending one-week topical conferences in the summer of 2020;
- Participating in follow-up activities in the following year and beyond.

Details about the MRC program and guidelines for organizer proposal preparation can be found at www.ams.org/programs/research-communities/mrc-proposals-20.

The 2020 MRC program is contingent on renewed funding from the National Science Foundation.

SEND PROPOSALS FOR 2020 AND
INQUIRIES FOR FUTURE YEARS TO:

Mathematics Research Communities
American Mathematical Society

Email: mrc2020@ams.org

Mail: 201 Charles Street, Providence, RI 02904

Fax: 401-455-4004

The target date for pre-proposals and proposals is
August 31, 2018.
