PROCEEDINGS

OF THE

AMERICAN MATHEMATICAL SOCIETY

Journals Published by the

American Mathematical Society

Bulletin of the American Mathematical Society

This journal is the official organ of the Society. It reports official acts of the Society and the details of its meetings, with abstracts of all research papers presented. It contains some of the officially invited addresses presented before the Society. It contains also announcements and notes on matters of current interest, and reviews of advanced mathematical books.

One volume of six numbers is planned for 1956. The subscription price is $7.00. The prices of back volumes, insofar as they are available, are as follows: vols. 1–36 (1894–1930), $7.00 each; vols. 37–53 (1931–1947), $9.00 each; vols. 54–55 (1948–1949), $11.00 each; vols. 56–61 (1950–1955), $7.00 each.

Proceedings of the American Mathematical Society

This journal is devoted entirely to research in pure and applied mathematics, and is devoted principally to the publication of original papers of moderate length. Volume 1 appeared in 1950.

Articles for insertion in the PROCEEDINGS should be typewritten, double spaced, and the author should keep a complete copy. Papers in algebra, number theory, logic and foundations should be sent to RICHARD BRAUER, 2 Divinity Avenue, Harvard University, Cambridge 38, Mass.; in geometry and topology to S. S. CHERN, Department of Mathematics, University of Chicago, Chicago 37, Ill.; in probability, real variables, and abstract analysis to SHIZUO KAKUTANI, Leet Oliver Memorial Hall, Yale University, New Haven 11, Conn.; in other branches of analysis, applied mathematics, and all other fields to R. P. BOAS, Lunt Building, Northwestern University, Evanston, Ill. All other communications to the editors should be addressed to the Managing Editor, RICHARD BRAUER.

One volume of six numbers is planned for 1956. The subscription price is $11.00. Vols. 1–6 (1950–1955) are available at the price of $11.00 each.

Transactions of the American Mathematical Society

This journal is devoted entirely to research in pure and applied mathematics, and includes in general longer memoirs than the PROCEEDINGS.

Three volumes of two numbers each will be published in 1956. The price per volume is $6.00. Volumes 1–36 (1900–1934) consist of four numbers each. Volumes 66–67 (1949) and 78–81 (1955–1956) consist of two numbers each. All other volumes consist of three numbers each. The prices of back volumes, insofar as they are available, are as follows: vols. 1–21 (1900–1920), $7.00 each; vols. 22–32 (1921–1930), $8.00 each; vols. 33–36 (1931–1934), $9.00 each; vols. 37–80 (1935–1955), $6.00 each.

Mathematical Reviews

This journal contains abstracts and reviews of the current mathematical literature of the world. It is sponsored by thirteen mathematical organizations, located both in the United States and abroad.

The publication of MATHEMATICAL REVIEWS was begun in 1940. It appears monthly, excepting July, and the price per annual volume is $20.00. Orders for complete volumes only are accepted. Volumes 1–16 (1940–1955) are available at $20.00 per volume.
