ERRATA TO "HYPERGEOMETRIC OPERATOR SERIES AND RELATED PARTIAL DIFFERENTIAL EQUATIONS"

BY
LOUIS R. BRAGG

I would like to make the following corrections to my paper *Hypergeometric operator series and related partial differential equations*, Trans. Amer. Math. Soc. **143** (1969), 319–336.

On p. 333.   Example 4 should carry the title *A Dirichlet problem.*

On p. 333.   In the line above (5.8), the name Beltrami should be replaced by *GASPT.*

On p. 334.   In the 6th line down, the statement "This result was obtained earlier by J. B. Diaz [13]," should be replaced by

"Except for a constant multiplier, this result agrees with one obtained earlier by A. Weinstein in [13]. (In formula (4.1), p. 109 of that paper, replace x_i by $x_i - \xi_i$, $i = 1, \ldots, m$, and choose $b = 0$.)"

On p. 336.   The new reference [13] should read as follows:

13. A. Weinstein, *The singular solutions and the Cauchy problem for generalized Tricomi equations*, Comm. Pure Appl. Math. **7** (1954), 105–116. MR **16**, 137.
