

Errata to the 2013 Departmental Profile Report

An error was discovered in the tabulation of the fall 2013 full-time doctoral female short-term appointments and female other part-time faculty which resulted in the underreporting of the faculty data that appeared in the the April 2015 issue of *Notices of the AMS*. Table DF.1 shows the updated counts for doctoral full-time faculty counts for fall 2013. Updated information on total full-time and part-time faculty can be viewed at <http://www.ams.org/annual-survey/2013Survey-DepartmentalProfile-Report>.

Faculty Categories

The faculty categories used in this report are described below. Departments were asked to report any faculty member who was considered to be full-time in the institution for the academic year and at least half-time in the department. Each faculty member was reported in exactly one of these categories.

Tenure-track faculty includes full-time faculty who hold tenured/tenure-eligible positions (i.e. those individuals who are tenured full-professors, other tenured and tenure-eligible faculty).

Postdoctoral faculty includes full-time faculty who have teaching and/or research responsibilities, but for a strictly limited term of employment (i.e. those individuals who hold a temporary position primarily intended to provide an opportunity to continue training or to further research experience).

Non-tenure-track faculty includes full-time faculty eligible for benefits and with an appointment that lasts at least one academic year. These faculty hold appointments that are renewable (potentially unlimited), fixed-term but not renewable, or temporary. Typical titles for these positions are Lecturer, Senior Lecturer, Instructor, Senior Instructor, Associate/Assistant/Full Teaching Professor, Professor of the Practice, or Clinical Professor, and similar titles for research-only faculty.

Part-time faculty includes those individuals who are hired term-by-term and are paid by the course and those in phased retirement.
