

The Second International Conference on Mathematics and Statistics

AUS-ICMS '15

April 2 – 5, 2015

Second Announcement

AUS-ICMS '15

General Chairman

Hana Sulieman

Organizing Committee

Ayman Badawi, AUS
 Dmitry Efimov, AUS
 James Griffin, AUS
 Sadok Kallel, AUS
 David Radnell, AUS
 Edward Saff, USA (*AMS Representative*)
 Faruk Uygul, AUS

International Advisory Board

John Burns, USA
 Gunnar Carlsson, USA
 B. Chanane, KSA
 Carl Cowen, USA
 Robert Elliot, Canada
 Marco Fontana, Italy
 Benoit Fresse, France
 Valerian Gavrilov, Russia
 Ali Hadi, Egypt
 William Hager, USA
 Samad Hedayat, USA
 Mark Joshi, Australia
 James Lepowsky, USA
 Philip Maini, UK
 Irfan Siap, Turkey
 Said Sidki, Brazil

Local Scientific Committee

Taher Abualrub
 Gajath Gunatillake
 Abdul Salam Jarrah
 Thomas Wunderli

Local Arrangements

Saadia Khouyibaba
 Mujo Mesanovic

Sponsors

American Mathematical Society (AMS)
 Mediterranean Institute for Mathematical
 Sciences
 American University of Sharjah

Organized by

The Department of Mathematics & Statistics

American University of Sharjah

In Cooperation With

The American Mathematical Society –AMS

The main objective of the conference is to offer a forum for researchers and scientists working in all fields of mathematics and statistics from both academia and industry to come together, exchange research ideas and discuss recent developments in mathematical research. The conference promotes interaction between AUS faculty and other researchers from the region and worldwide.

The conference will be held at the American University of Sharjah campus.

Topics to be covered include, but are not limited to:

- Algebra
- Analysis
- Applied Mathematics
- Statistics
- Differential Equations
- Discrete Mathematics
- Financial Mathematics
- Mathematics Education
- Number Theory
- Numerical Analysis
- Probability Theory
- Machine Learning and Data Mining
- Mathematical Biology
- Topology and Geometry

Three keynote lectures delivered by:

- *Prof. Gunnar Carlsson*, Stanford University, USA
- *Prof. Samad Hedayat*, University of Illinois at Chicago, USA
- *Prof. Edriss Titi*, Texas A&M University, USA

The conference program will include special sessions in the following areas:

- Algebras and coalgebras
- Commutative algebra and its applications
- Designs, codes and graphs
- Machine learning and data mining
- Mathematical applications in biology and medicine
- Topology

Selected papers presented at the conference will be published in a special issue of the Palestine Journal of Mathematics. Special sessions may consider publishing journal proceedings.

Abstract Submission Deadline December 15, 2014
 Notification of Acceptance January 15, 2015
 Registration Deadline February 15, 2015
 Late Registration Deadline March 2, 2015
