

Meeting: 998, Houston, Texas, SS 7A, Special Session on Low Dimensional Topology

998-57-328 **Víctor Núñez*** (victor@cimat.mx), A.P. 402, 36000 Guanajuato, Guanajuato, Mexico.

Universal Montesinos knots.

We show universality for many Montesinos knots by understanding their dihedral coverings. (Received March 01, 2004)
