

Seventh Joint International Meeting AMS-SMM

Zacatecas, Mexico, May 23-26, 2007

**The Special Session application deadline has been extended to
February 2, 2007.**

The meeting will run from Wednesday to Saturday inclusive, with three plenary speakers from each society, together with a number of Special Sessions and general contributed talks.

The Program Committee consists of: James Carlson, Matt Miller, Susan Montgomery and Alejandro Uribe for the AMS; and Clara Garza Hume, Jesus Mucino, Ernesto Perez-Chavela and Martha Rzedowski for the SMM.

Request for Special Sessions

Special Sessions will consist of one to five blocks of six speakers, each of 20-25 minutes duration, with the option for a keynote address of longer duration (40-50 minutes). All expenses must be covered by participants' own institutions or research grants.

Proposals should include:

- 1.- The Session's title
- 2.- A brief description of the subject area
- 3.- Names of suggested organizers, preferably at least one for each side AMS and SMM
- 4.- How many blocks are requested

Approvals will be sent as soon as possible after applications are received and reviewed. Please send identical applications by e-mail to miller@math.sc.edu and epc@xanum.uam.mx.
