

1023-F1-1860 **Mercedes A. McGowen*** (mercmcgowen@sbcglobal.net), 601 Pleasant Place, Streamwood, IL 60107. *A Report on One College's Efforts to re-structure the mathematics courses below Calculus.* Preliminary report.

This presentation will describe one community college mathematics department's four-year project to implement a re-structured mathematics curriculum in the courses below calculus. The results of annual assessments of the impact of the changed curriculum on student success will also be reported. (Received September 27, 2006)
