

2014 Joint Mathematics Meetings Updates

We invite you to join us in Baltimore, Maryland, Jan. 15-18, 2014, for the Joint Mathematics Meetings, the largest annual mathematics gathering in the world.

The program will have multiple short courses, minicourses, invited lectures, special sessions, exhibits, social events, and networking and employment opportunities. Featured lectures at JMM 2014 will include the AMS Colloquium Lectures by **Dusa McDuff**; the AMS Gibbs Lecture by **Andrew Blake**; AMS Invited Addresses by **Emmanuel Candès**, **Christopher Hacon**, **Paul Seidel**, and **Hong-Tzer Yau**; and the AMS Retiring Presidential Address by **Eric Friedlander**.

Highlighted speakers for the MAA program include these Invited Addresses: **Michael Starbird**, **Jill Pipher**, **William Dunham**, **Sarah-Marie Belcastro**, and **Helaman and Claire Ferguson**.
