

Meeting: 1001, Evanston, Illinois, SS 13A, Special Session on Algebraic Topology: Interactions with Representation Theory and Algebraic Geometry

1001-20-133 **A Adem***, 480 Lincoln Drive, Madison, WI 53706, and **J Pan.** *Computations for Toroidal Orbifolds.* Preliminary report.

We compute cohomological invariants for certain toroidal orbifolds arising from string theory. (Received August 20, 2004)
