**Zheng Huang\*** ([zhengh@umich.edu](mailto:zhengh@umich.edu)), 2141 Medford Rd. #7, Ann Arbor, MI 48104. *The Weil-Petersson Geometry in the Thick Part of Teichmuller Space*. Preliminary report.

We study the Weil-Petersson geometry in the thick part of Teichmuller space and show that the curvatures are bounded, independent of the genus. (Received September 05, 2006)
