Jonathan M Borwein* (jon.borwein@gmail.com), Dr Jonathan M. Borwein, 18 Swan St,
Cooks Hill, NSW 2300, Australia. *A Few of my Favourite Convexity Results.*

I shall offer various examples of convexity appearing (often unexpectedly) over the years in my research. Each example illustrates either the power of convexity, or of modern symbolic computation, or of both . . . (Received August 26, 2008)
