Zhou Zhang* (zhangou@umich.edu), 2145 Medford Road, #20, Ann Arbor, MI 48104. *Scalar Curvature Behavior of Kähler-Ricci Flow.*

In this talk, we discuss general behavior of scalar curvature along Kähler-Ricci flow over a closed manifold. This can be considered as a test for the more geometric picture of the flow metric. (Received January 30, 2009)
