**Bunyamin Sari\*** ([bunyamin@unt.edu](mailto:bunyamin@unt.edu)), University of North Texas, Department of Mathematics  
1155 Union Circle #, Denton, TX 76203-5017. *Kalton's last (?) theorem on uniform  
homeomorphisms*. Preliminary report.

We will speak on a remarkable theorem of Nigel Kalton (perhaps his last result on the subject) on the invariance of asymptotic uniform convexity under uniform homeomorphisms. (Received September 14, 2010)
