

MEMBERSHIP APPLICATION 2018

JOIN ONLINE: WWW.AMS.ORG/MEMBERSHIP

OR BY MAIL: 201 CHARLES STREET, PROVIDENCE, RI 02904

Name _____ Date _____, 20 _____
Last First Middle Suffix

PERSONAL INFORMATION (Please Print)

Address for all mail

City State/Province Zip/Postal Code Country

Telephone: home (_____) _____ office (_____) _____

Email: _____

Present Position: _____

Firm or Institution: _____

City State/Province Zip/Postal Code Country

Date of Birth: _____
Day Month Year

Primary Fields of Interest (choose up to five from the list on reverse)

Secondary Fields of Interest (choose from list on reverse)

Mark preferred method of communication:

postal mail email
Dues renewal notices
AMS election ballot

Annual update of your contact information

PAYMENT METHOD AND MAILING ADDRESS

Prices quoted in US dollars. Payment by check must be drawn on a US bank.

- Pay by check, money order, UNESCO coupons. Mail to:
American Mathematical Society, P.O. Box 845904, Boston, MA 02284-5904 USA.
- Pay by credit card. Mark below and mail to:
American Mathematical Society, 201 Charles Street, Providence, RI 02904-2294 USA,
or call 1-401-455-4000 (worldwide) or 1-800-321-4AMS (4267) (in US and Canada).
- American Express Discover VISA MasterCard

Account Number: _____

Name on Card: _____

Expiration Date: _____

Wire transfers must be sent to: Citizens Bank, 1 Citizens Drive, Riverside, RI 02915-4996. Bank USA, Bank ABA, Swift code, and account numbers or other inquiries and notifications about wire transfers should be directed to Sales and Member Services at: macs-com@ams.org.

Automated Clearing House (ACH): Inquiries, authorization requests, and notifications should be sent to: ach-admin@ams.org.

CHOOSE MEMBERSHIP CATEGORY

REGULAR MEMBER The following rates are available:

Graduate / Undergraduate (please circle) **Student Rate** US\$49
Verification of full-time student status required by completing this statement and signing this application: I am a full-time student at _____ currently working toward a degree.

Unemployed Rate US\$49
I am currently unemployed and actively seeking employment. Annual verification of unemployed status required by signing this application.

Introductory Rate* US\$74
Applies per year to the first five consecutive years of regular membership. Eligibility begins with the first year of membership in any category other than Student, Graduate Student, or Affiliate.

Regular Rate*
Applies after the first five consecutive years of regular membership. For those whose annual professional income is below \$85,000: US\$147 For those whose annual professional income is \$85,000 or more: US\$196

Retired Rate* US\$74
Applied after a member has retired from the profession.

Joint Family Rate*
Applies when one member pays regular dues based on their income; the other pays regular dues based on their income, less \$20. (Only the member paying full dues will receive the Notices and the Bulletin as a privilege of membership, but both members will be accorded all other privileges of membership.) For those whose annual professional income is below \$85,000: US\$127 For those whose annual professional income is \$85,000 or more: US\$176

Life Rate
A one-time payment of lifetime membership determined by age as of January 1 of the membership year. Life membership age 60 or above: US\$980 Life membership age 50 to 59: US\$1,960 Life membership age 40 to 49: US\$2,940

Reciprocity Rate* US\$98
Applies to a member who belongs to one of the foreign societies with which the AMS has established a reciprocity agreement. Please review the list of eligible societies at www.ams.org/mem-reciprocity.

CONTRIBUTING MEMBER* US\$294
Minimum dues are \$294. The portion (\$98) which exceeds the higher regular dues level may be treated as a charitable contribution.

AFFILIATE MEMBER US\$16
Available for those who reside in developing countries. Please review the list of eligible countries at www.ams.org/mem-develop.

***Multi-year Membership**
Members are invited to purchase a multi-year membership by prepaying their current dues rate for either two, three, four, or five years. This option is not available for Unemployed, Student, or Affiliate members. Multi-year payment applies only to the membership dues, not to the journal subscriptions. Apply my membership for 2 Years 3 Years 4 Years 5 Years

Total due US\$ _____

Please subtract the total amount of AMS points (maximum 16) US\$ _____

My enclosed payment is US\$ _____

APPLICATION SIGNATURE

Signature required to validate statements made on application. Application will not be processed without signature.

Signature

Fields of Interest

Use this list to include your fields of interest on the application. The AMS will keep you informed of new publications or special sales in those fields.

- | | | |
|--|---|---|
| 00 General | 33 Special functions | 60 Probability theory and stochastic processes |
| 01 History and biography | 34 Ordinary differential equations | 62 Statistics |
| 03 Mathematical logic and foundations | 35 Partial differential equations | 65 Numerical analysis |
| 05 Combinatorics | 37 Dynamical systems and Ergodic theory | 68 Computer science |
| 06 Order, lattices, ordered algebraic structures | 39 Difference and functional equations | 70 Mechanics of particles and systems |
| 08 General algebraic systems | 40 Sequences, series, summability | 74 Mechanics of deformable solids |
| 11 Number theory | 41 Approximations and expansions | 76 Fluid mechanics |
| 12 Field theory and polynomials | 42 Fourier analysis | 78 Optics, electromagnetic theory |
| 13 Commutative rings and algebras | 43 Abstract harmonic analysis | 80 Classical thermodynamics, heat transfer |
| 14 Algebraic geometry | 44 Integral transforms, operational calculus | 81 Quantum theory |
| 15 Linear and multilinear algebra; matrix theory | 45 Integral equations | 82 Statistical mechanics, structure of matter |
| 16 Associative rings and algebras | 46 Functional analysis | 83 Relativity and gravitational theory |
| 17 Non-associative rings and algebras | 47 Operator theory | 85 Astronomy and astrophysics |
| 18 Category theory; homological algebra | 49 Calculus of variations and optimal control; optimization | 86 Geophysics |
| 19 K-theory | 51 Geometry | 90 Operations research, mathematical programming |
| 20 Group theory and generalizations | 52 Convex geometry and discrete geometry | 91 Game theory, economics, social and behavioral sciences |
