# Acknowledgment of Contributions

The officers and staff of the Society acknowledge with gratitude the following donors whose contributions were received during the past year. The names which follow represent donors who contributed during the period April 1, 1994—March 31, 1995.

Recently, the Executive Committee and Board of Trustees approved the following procedures for listing donors in *Notices*. Gifts of \$10 and above are listed. The following categories have been established:

Sponsors	(Gifts of \$500 and above)
Patrons	(Gifts of \$100 and above)
Friends	(Gifts of \$25 and above)

The listings on these pages reflect these changes.

Additionally, donors whose contributions total \$1,000 or more annually will be recognized with their names affixed to a plaque in the lobby of the Society's Providence office.

## AMS Mission

The AMS, founded in 1888 to further the interests of mathematical research and scholarship, serves the national and international community through its publications, meetings, advocacy and other programs, which

- promote mathematical research, its communication and uses,
- encourage and promote the transmission of mathematical understanding and skills,
- support mathematical education at all levels,
- advance the status of the profession of mathematics, encouraging and facilitating full participation of all individuals,
- foster an awareness and appreciation of mathematics and its connections to other disciplines and everyday life.

## Memorial and Commemorative Gifts

Memorial and commemorative gifts are a distinctive and thoughtful way to memorialize or honor a colleague, friend, or family member and to support the Society's work to promote mathematical scholarship and research. The Society acknowledges these gifts upon receipt of the gift and through the listing below. The list designates gifts made through March 1995. In addition, notification of the gift is sent to persons designated by the donor.

In honor of E. P. Miles, Jr.  
Charles W. McArthur
