

# CALL FOR NOMINATIONS

## LEROY P. STEELE PRIZES AND DISTINGUISHED PUBLIC SERVICE AWARD

The selection committee for these prizes requests nominations for consideration for the 2000 award. Further information about these prizes can be found in the November 1997 *Notices*, pp. 1349–1353 (also available at <http://www.ams.org/ams/prizes.html>).

Three Leroy P. Steele Prizes are awarded each year in the following categories:

(1) the Steele Prize for Lifetime Achievement: for the cumulative influence of the total mathematical work of the recipient, high level of research over a period of time, particular influence on the development of a field, and influence on mathematics through Ph.D. students; (2) the Steele Prize for Mathematical Exposition: for a book or substantial survey or expository-research paper; and (3) the Steele Prize for Seminal Contributions to Research: for a paper, whether recent or not, that has proved to be of fundamental or lasting importance in its field or a model of important research.

The Award for Distinguished Public Service is presented every two years to a research mathematician who has made a distinguished contribution to the mathematics profession during the preceding five years.

Nominations with supporting information should be submitted to the secretary, Robert J. Daverman, Department of Mathematics, University of Tennessee, Knoxville, TN 37996. For the Steele Prizes include a short description of the work that is the basis of the nomination, including complete bibliographic citations. For the Public Service Award, include a short description of the pertinent activities of the nominee. A curriculum vitae should be included for all nominees. The nominations will be forwarded by the secretary to the prize selection committee, which will, as in the past, make final decisions on the awarding of prizes.

**Deadline for nominations is March 31, 1999.**
