## AMS Mission

The AMS, founded in 1888 to further the interests of mathematical research and scholarship, serves the national and international community through its publications, meetings, advocacy, and other programs, which

- promote mathematical research, its communication and uses,
- encourage and promote the transmission of mathematical understanding and skills,
- support mathematical education at all levels,
- advance the status of the profession of mathematics, encouraging and facilitating full participation of all individuals,
- foster an awareness and appreciation of mathematics and its connections to other disciplines and everyday life.

## Thomas S. Fiske Society

The Executive Committee and Board of Trustees have established the Thomas S. Fiske Society to honor those who have made provisions for the AMS in their estate plans. For further information contact Tim Goggins at 800-321-4AMS, or [tjg@ams.org](mailto:tjg@ams.org).

## Annual Gifts to the AMS

The officers and staff of the Society acknowledge with gratitude the following donors whose contributions were received during the past year. The names which follow represent donors who contributed during the period April 1, 1998—March 31, 1999.

Gifts of \$10 and above are listed. Gifts of \$25 and above are listed according to the following categories:

President's Associates	(Gifts of \$5,000 and above)
Associates	(Gifts of \$1,000 and above)
Sponsors	(Gifts of \$500 and above)
Patrons	(Gifts of \$100 and above)
Friends	(Gifts of \$25 and above)

The names of donors who have given for three years consecutively (1996-1998) are marked with an asterisk. Donors whose contributions total \$1,000 or more annually are recognized with their names affixed to a plaque in the lobby of the Society's Providence office.

## Now It Pays More Than Ever to Support the AMS: Announcing Higher Charitable Gift Annuity Rates

The AMS has increased charitable gift annuity rates, as recommended by the American Council on Gift Annuities. You will not want to miss this unprecedented opportunity to secure a high payment rate that is taxed favorably and qualify for a significant charitable deduction, while supporting the Society. To learn more, please contact Tim Goggins at 800-321-4267 or [tjg@ams.org](mailto:tjg@ams.org).

### Examples of New Gift Annuity Rates (Effective March 1, 1997)

<i>Age</i>	<i>Rate</i>	<i>Age</i>	<i>Rate</i>	<i>Age</i>	<i>Rate</i>
55	6.7%	67	7.4	79	9.2
56	6.7	68	7.5	80	9.4
57	6.8	69	7.6	81	9.6
58	6.8	70	7.7	82	9.8
59	6.9	71	7.8	83	10.0
60	6.9	72	7.9	84	10.2
61	7.0	73	8.1	85	10.5
62	7.0	74	8.2	86	10.8
63	7.1	75	8.4	87	11.1
64	7.2	76	8.6	88	11.4
65	7.2	77	8.8	89	11.7
66	7.3	78	9.0	90+	12.0

To determine the size of payments, multiply the rate by the value of the asset used to create the gift annuity. For example, a seventy-five-year-old giving \$100,000 receives 8.4 percent, or \$8,400, annually for life.
