## Important Information Regarding AMS Meetings

Potential organizers, speakers, and hosts should refer to page 106 in the January 1999 issue of the *Notices* for general information regarding participation in AMS meetings and conferences.

## Abstracts

Several options are available for speakers submitting abstracts, including an easy-to-use interactive Web form. No knowledge of LaTeX is necessary to submit an electronic form, although those who use LaTeX or AMS-LaTeX may submit abstracts with such coding. To see descriptions of the forms available, visit <http://www.ams.org/abstracts/instructions.html> or send mail to [abs-submit@ams.org](mailto:abs-submit@ams.org), typing *help* as the subject line, and descriptions and instructions on how to get the template of your choice will be emailed to you.

Completed abstracts should be sent to [abs-submit@ams.org](mailto:abs-submit@ams.org), typing *submission* as the subject line. Questions about abstracts may be sent to [abs-info@ams.org](mailto:abs-info@ams.org).

Paper abstract forms may be sent to Meetings & Conferences Department, AMS, P.O. Box 6887, Providence, RI 02940. There is a \$20.00 processing fee for each paper abstract. There is no charge for electronic abstracts. Note that all abstract deadlines are strictly enforced. Close attention should be paid to specified deadlines in this issue. Unfortunately, late abstracts cannot be accommodated.
