IMPORTANT INFORMATION REGARDING MEETINGS PROGRAMS: AMS Sectional Meeting programs do not appear in the print version of the *Notices*. However, comprehensive and continually updated meeting and program information with links to the abstract for each talk can be found on e-MATH. See <http://www.ams.org/meetings/>. Programs and abstracts will continue to be displayed on e-MATH in the Meetings and Conferences section until about three weeks after the meeting is over. Final programs for Sectional Meetings will be archived on e-MATH in an electronic issue of the *Notices* as noted below for each meeting.

Conference Web Site

The information in this announcement is taken from the Web site maintained by the local organizers. See <http://www.imada.sdu.dk/~hjm/AMS.Scand.2000.html> for additional program details and links to sites for hotels, tours, campus, and much other local information.

The e-mail address for conference information is ams.scand.2000@imada.sdu.dk.

Abstracts

All speakers (both plenary and for special sessions) should submit abstracts by e-mail **no later than March 15**, containing the following information:

- Lecture title.
- Speaker's name, title, affiliation.
- TeX version used (LaTeX2e is preferred).
- Abstract text.
- References.

Send your abstract to ams.scand.2000@imada.sdu.dk; be sure to include ABSTRACT as the subject of your e-mail submission. Abstracts may also be submitted via the conference Web site.

Abstracts will be made available on the conference Web site ONLY, in PDF format. No printed versions are planned.

Accommodations

Blocks of rooms have been reserved in the following hotels by the conference organizers. In order to be eligible for the conference rate, you must make your reservation and include a deposit when you register for the conference (see registration procedures below) **no later than April 1**. Note that room rates are listed in approximate U.S. dollars and are subject to change. Payment (less deposit) must be made directly to the hotel upon checkout. Approximate distances to the campus meeting site are indicated. Most of the hotels are on a convenient bus route to campus with two to three trips per hour; the approximate bus travel time is indicated. Participants may also find it convenient to share a cab.

The following properties are near the train station in the center of town, about 3.5 miles to campus and a 25-minute bus ride to campus center:

Grand Hotel Odense, \$115/single.

Odense Plaza (Best Western), \$100 single/\$125 double.

City Hotel, \$75 single/\$105 double.

Hotel Ansgar/Windsor, \$75 single/\$95 double.

Other hotels

Knudsens Gaard (Best Western), \$90/single; about 2 miles to campus, nine minutes by bus to the campus perimeter.

Scandic Hotel, \$115 single/\$145 double, about 4.5 miles to campus, ideal if you rent a car.

In addition, dormitory-style rooms are available at Dalum Landbrugsskole, \$40/single (two nice rooms share one bath), located on the perimeter of campus, about 1.5 miles from the Meeting site (a nice walk along rural campus paths, or share a cab). Payment (less deposit) must be made in full at the conference registration desk.

Food Service

Because of busy cafeteria conditions, it is recommended that participants purchase the daily buffet lunch package for \$12 per day (beverages not included). Prepayment for participants is required on the registration form (prepayment is not necessary for persons accompanying participants, but should be noted separately on the form). There is a public university cafeteria also available for lunch only.

Also, there is a special presentation on Thursday evening (see below). Because there is no university cafeteria open for dinner, it is essential that those who wish to stay for the evening program purchase their dinner in advance on the registration form. The cost is \$25 (beverages not included).

Registration and Meeting Information

All sessions will be held at the University of Southern Denmark, main campus, Odense University. Currently, lectures

are scheduled to begin on Tuesday afternoon and end Friday at noon.

Advance registration is highly recommended. The registration fee is \$50 (if paid by May 1) or \$75 if paid after May 1. See the conference Web site to register on line. Plenary speakers and invited special session speakers receive complimentary registration. On site the registration office will be in Room U49A, just inside entrance L, P lot 2, and will be open Tuesday, 9:00 a.m. to 6:00 p.m., Wednesday and Thursday, 9:00 a.m. to 3:30 p.m., and Friday, 9:00 a.m. to 1:30 p.m.

Social Events and Tours

Several enjoyable excursions have been planned.

On Tuesday at 7:45 p.m., all participants are invited to a complimentary reception sponsored by the City of Odense at the Town Hall where light refreshments will be served. This is near most of the hotels. Several restaurants are nearby for a late dinner on your own.

On Tuesday afternoon there is a tour of the Hans Christian Andersen Museum. This fascinating museum contains editions of his fairy tales in over 140 languages, and story illustrations in paintings and prints by world renowned artists. The tour leaves campus at 5:45 p.m. From the museum, it is a five-minute walk to the reception at the Town Hall. The cost is \$15 each, including transportation and admission fee.

On Friday afternoon after the conclusion of the scientific program for the meeting, there will be an excursion to Egeskov Castle, the best-preserved Renaissance moat castle throughout all of Europe. Many rooms are open to the public, as are the lovely gardens (including a geometrically interesting sundial and maze, both designed by the Danish poet/mathematician Piet Hein), along with large collections of antique cars, motor bikes, and carriages. The cost is \$25 each, including transportation and admission fee. Buses will leave campus at about 1:30 p.m. and return to the Odense train station about 6:00 p.m.

Special Presentation

On Thursday evening at 8:00 p.m. a new project sponsored by the European Union will be presented, *Large Infrastructure in Mathematics—Enhanced Services* (LIMES). The aim of the project is to enhance the availability of mathematically relevant databases throughout Europe. One of the centers will be at the Danish Technical University in Lyngby. Those who wish to stay on campus for dinner after the special sessions have concluded and before this program begins MUST purchase dinner in advance (\$25, beverages not included).

Travel

Scandinavian Airlines (SAS) is the official airline of the conference (reference #DK0030). The SAS agent in the U.S. is Conferences International, Inc., 1101 Worcester Road, Suite 401, Framingham, MA 01701-5249; 800-221-8747 (U.S. and Canada); 508-872-4455 (outside the U.S. and Canada); fax: 508-872-5566. Or see <http://www.conferencesintl.com/> and fill in the form to have the agent propose convenient air schedules and check for the lowest conference airfares.

From Copenhagen (airport) to Odense: The Danish State Railroad has efficient, fast connections directly from the Copenhagen Airport, Kastrup, (and from the Copenhagen main station) to the center of Odense. From some countries you will be able to buy an airline ticket on SAS all the way to Odense, including a coupon for the train, Copenhagen to Odense. Be sure to ask if this is available when you book your airline ticket.
