The Meetings and Conferences section of the *Notices* gives information on all AMS meetings and conferences approved by press time for this issue. Please refer to the page numbers cited in the table of contents on this page for more detailed information on each event. Invited Speakers and Special Sessions are listed as soon as they are approved by the cognizant program committee; the codes listed are needed for electronic abstract submission. For some meetings the list may be incomplete. **Information in this issue may be dated. Up-to-date meeting and conference information is available on the World Wide Web at [www.ams.org/meetings/](http://www.ams.org/meetings/).**

## Important Information regarding AMS Meetings

Potential organizers, speakers, and hosts should refer to page 106 in the January 2000 issue of the *Notices* for general information regarding participation in AMS meetings and conferences.

## Abstracts

Several options are available for speakers submitting abstracts, including an easy-to-use interactive Web form. No knowledge of LaTeX is necessary to submit an electronic form, although those who use LaTeX or AMS-LaTeX may submit abstracts with such coding. To see descriptions of the forms available, visit <http://www.ams.org/abstracts/instructions.html>, or send mail to [abs-submit@ams.org](mailto:abs-submit@ams.org), typing `help` as the subject line; descriptions and instructions on how to get the template of your choice will be e-mailed to you.

Completed abstracts should be sent to [abs-submit@ams.org](mailto:abs-submit@ams.org), typing `submission` as the subject line. Questions about abstracts may be sent to [abs-info@ams.org](mailto:abs-info@ams.org).

Paper abstract forms may be sent to Meetings & Conferences Department, AMS, P.O. Box 6887, Providence, RI 02940. There is a \$20 processing fee for each paper abstract. There is no charge for electronic abstracts. Note that all abstract deadlines are strictly enforced. Close attention should be paid to specified deadlines in this issue. Unfortunately, late abstracts cannot be accommodated.

**Conferences:** (See <http://www.ams.org/meetings/> for the most up-to-date information on these conferences.)

January 8-9, 2001: Short Course on *Mathematical Biology*, New Orleans, LA. (See page 1214, October issue, for details.)

June 10-August 9, 2001: Joint Summer Research Conferences in the Mathematical Sciences, Mount Holyoke College, South Hadley, MA. See pages 1327-1331, November issue, for details.)
