

CALL FOR NOMINATIONS

George David Birkhoff Prize

Frank Nelson Cole Prize in Algebra

Levi L. Conant Prize

Ruth Lyttle Satter Prize

The selection committees for these prizes request nominations for consideration for the 2003 awards, which will be presented at the Joint Mathematics Meetings in Baltimore, MD, in January 2003. Information about most of these prizes may be found in the November 2001 *Notices*, pp., 1211–1223. (Also available at <http://www.ams.org/secretary/prizes.html>)

The George David Birkhoff Prize is awarded jointly by the AMS and SIAM for an outstanding contribution to applied mathematics in its highest and broadest sense. The award was first made in 1968 and usually has been presented every fifth year since then, but future awards will be made on a three-year cycle.

The Frank Nelson Cole Prizes are now presented at three-year intervals for outstanding contributions in algebra and number theory. The award in January 2003 will be the Frank Nelson Cole Prize in Algebra.

The Levi Conant Prize, first awarded in January 2001, is presented annually for an outstanding expository paper published in either the *Notices* or the *Bulletin* of the American Mathematical Society during the preceding five years.

The Ruth Lyttle Satter Prize is presented every two years in recognition of an outstanding contribution to mathematics research by a woman during the previous five years.

Nominations should be submitted to the secretary, Robert J. Daverman, American Mathematical Society, 312D Ayres Hall, University of Tennessee, Knoxville TN 37996-1330. Include a short description of the work that is the basis of the nomination, with complete bibliographic citations. A brief curriculum vita should be included for all nominees. The nominations will be forwarded by the secretary to the appropriate prize selection committee, which will make final decisions on the awarding of the prizes.

Deadline for nominations is June 30, 2002.
