Fan China Exchange Program Names Awardees

The Fan China Exchange Program awards grants to support collaborations between Chinese and U.S./Canadian researchers. Institutions in the U.S. or Canada apply for the funds to support a visitor from China, or vice versa. These funds are made available through a generous gift made to the AMS by Ky and Yu-Fen Fan in 1999.

Two rounds of applications have been completed. The seven awards made so far by the Fan fund are listed below. Listed first is the host and the sponsoring institution, then the visitor's name, and the anticipated length of the visit.
