## Important Information regarding AMS Meetings

Potential organizers, speakers, and hosts should refer to page 108 in the January 2003 issue of the *Notices* for general information regarding participation in AMS meetings and conferences.

## Abstracts

Several options are available for speakers submitting abstracts, including an easy-to-use interactive Web form. No knowledge of  $\text{\LaTeX}$  is necessary to submit an electronic form, although those who use  $\text{\LaTeX}$  may submit abstracts with such coding, and all math displays and similarly coded material (such as accent marks in text) must be typeset in  $\text{\LaTeX}$ . To see descriptions of the forms available, visit <http://www.ams.org/abstracts/instructions.html>, or send mail to [abs-submit@ams.org](mailto:abs-submit@ams.org), typing `help` as the subject line; descriptions and instructions on how to get the template of your choice will be e-mailed to you.

Completed abstracts should be sent to [abs-submit@ams.org](mailto:abs-submit@ams.org), typing `submission` as the subject line. Questions about abstracts may be sent to [abs-info@ams.org](mailto:abs-info@ams.org).

Paper abstract forms may be sent to Meetings & Conferences Department, AMS, P.O. Box 6887, Providence, RI 02940. There is a \$20 processing fee for each paper abstract. There is no charge for electronic abstracts. Note that all abstract deadlines are strictly enforced. Close attention should be paid to specified deadlines in this issue. Unfortunately, late abstracts cannot be accommodated.

**Conferences:** (See <http://www.ams.org/meetings/> for the most up-to-date information on these conferences.)
