

Call for Nominations

The selection committees for these prizes request nominations for consideration for the 2007 awards, which will be presented at the Joint Mathematics Meetings in New Orleans, LA, in January 2007. Information about these prizes may be found in the November 2005 *Notices*, pp. 1243-1260, and at <http://www.ams.org/prizes-awards>.)

Ruth Lyttle Satter Prize

The Ruth Lyttle Satter Prize, first awarded in 1991, is presented every two years in recognition of an outstanding contribution to mathematics research by a woman in the past six years.

Norbert Wiener Prize in Applied Mathematics

The Norbert Wiener Prize, first awarded in 1970, is awarded jointly by the AMS and SIAM every three years for an outstanding contribution to applied mathematics in its highest and broadest sense.

Oswald Veblen Prize in Geometry

The Oswald Veblen Prize in Geometry, first awarded in 1964, is presented every three years in recognition of a notable research memoir in geometry or topology published in the preceding six years. To be considered, either the nominee should be a member of the Society or the memoir should have been published in a recognized North American journal.

Levi L. Conant Prize

The Levi L. Conant Prize, first awarded in January 2001, is presented annually for an outstanding expository paper published in either the *Notices* or the *Bulletin* of the American Mathematical Society during the preceding five years.

Nominations should be submitted to the secretary, Robert J. Daverman, American Mathematical Society, 312D Ayres Hall, University of Tennessee, Knoxville, TN 37996-1330. Include a short description of the work that is the basis of the nomination, with complete bibliographic citations where appropriate. A brief curriculum vitae should be included for the nominee. The nominations will be forwarded by the secretary to the appropriate prize selection committee, which, in effect, will make final decisions on the awarding of these prizes.

Deadline for nominations is June 30, 2006.
