### Local Information/Tourism

New Zealand offers a huge selection of high-quality tourist attractions and activities for a vacation while in New Zealand. A list of some of these attractions can be found at <http://www.tourism.net.nz/attractions>.

The electrical standard in New Zealand is 230 volts AC at 50 Hz. Power sockets use a three-pin plug and are compatible with Australian power sockets. Please check before you plug in any appliance or equipment that you bring with you that it can operate safely with 230VAC/50Hz power.

Exchange rates at the time this announcement went to press were US\$1= \$1.37 NZ. See <http://www.oanda.com/convert/classic> for up-to-date rates.

The Victoria University of Wellington School of Mathematics, Statistics and Computer Science webpage is at <http://www.mcs.vuw.ac.nz>.

### Registration and Conference Dinner

On-line registration is available at <https://www.mcs.vuw.ac.nz/cgi-bin/events/amsnzms2007-registration>. **The deadline for registration is October 31, 2007.** Registration includes morning and afternoon refreshments. Regular registration is NZ\$140 and student registration is NZ\$40. Payment must be made by VISA or MasterCard or a NZ check or bank draft. The conference dinner will be held at the Skyline, a wonderful restaurant with spectacular harbor, hilltop, and cityscape views, on Friday evening, December 14. The cost per person is NZ\$60 (NZ\$40 for students). See <http://www.theskyline.co.nz>.

### Student Travel Grants

The organizers are pleased to offer limited travel grants available to New Zealand and Pacific students wishing to attend the meeting. Please send a brief letter of application which includes: (1) your name, (2) your home institution, (3) your thesis supervisor's name and email address, (4) details of your travel and an estimate of the expenses you will incur. Send to Dr. Peter Donelan, School of Mathematics, Statistics and Computer Science, Victoria University of Wellington, PO Box 600, Wellington 6140, New Zealand.

Applications should be made by September 30. Decisions on grants will be made shortly after that.

### Travel

U.S. nationals do not require a visa to enter New Zealand for a period of less than three months. You may obtain up-to-date information on immigration and visas at <http://www.immigration.govt.nz/migrant/stream/visit/>.

Participants should plan to fly to Wellington International Airport (WLG) but, unless traveling via Australia, will probably arrive in New Zealand at either Auckland (AKL) or Christchurch (CHC) International Airports and transfer there to a domestic flight. At Auckland a free shuttle is available between the international and domestic terminals or transferring passengers can take the short 10-minute walk, which is clearly marked. Christchurch and Wellington have single terminals catering to international and domestic flights. Alternatively you may want to travel the scenic routes to Wellington by car, bus, train, and/or ferry. In that case you should allow two days for comfort.

At Wellington Airport, taxi stands are located directly out of the ground floor entrance of the terminal. A taxi from the airport to the city will cost between NZ\$25-NZ\$35, and will take around 20 minutes, though it may take longer during Wellington's rush hour (between 4:30 p.m. and 5:30 p.m.). A number of companies run door-to-door shuttle services from the airport to Wellington city. Shuttles are located on the ground floor level at the southern end of the terminal. The airport-to-city trip costs

around NZ\$15, although couples or groups may qualify for discounts. The trip to the city should take around 30 minutes, depending on where passengers are dropped off. The Airport Flyer is a bus service between the airport, Wellington City, and the Hutt Valley. The bus stop is on the ground floor level at the southern end of the terminal. Buses depart approximately every 30 minutes, but hourly in the early morning and at night during weekends. The fare from the airport to Wellington city is NZ\$4.50 for adults and NZ\$2 for children. The Stagecoach Flyer makes a number of stops including all bus stops through the city center. The trip to the city takes about 45 minutes.

See [www.tourism.net.nz](http://www.tourism.net.nz) and [www.wellingtonnz.com](http://www.wellingtonnz.com) for more information. Cars can be hired for around NZ\$50-80 per day, depending on vehicle and length of hire.

### Weather

December is early summer in New Zealand, and the weather is generally mild and sunny but can be damp. See [www.wellingtonnz.com/AboutWellington/Weather.htm](http://www.wellingtonnz.com/AboutWellington/Weather.htm).
