

Work that matters.

The CNA Corporation is a non-profit institution that operates on the principle of conducting impartial, accurate, actionable research and analysis to inform the important work of public sector leaders.

It's work that matters, and that reflects a commitment to serve the public's interests and the common good.

We offer career opportunities for people with degrees in engineering, mathematics, economics, physics, chemistry, international relations, national security, history, and many other scientific and professional fields of study.

Diverse views, objectivity, imaginative techniques, process driven, results oriented – committed to the common good. Join us.
