

Eidgenössische Technische Hochschule Zürich
Swiss Federal Institute of Technology Zurich

Heinz Hopf Lectureships

The Department of Mathematics of the ETH Zurich invites applications for several **Heinz Hopf Lectureships** beginning September 1st, 2008 or earlier. These positions are intended for young scientists, after their Ph. D. up to five years. They are awarded for a period of 3 years, with the possibility of an extension by 1 year.

Duties of Heinz Hopf lecturers include research and teaching in mathematics. Together with the other members of the department, the new lecturers will be responsible for undergraduate and graduate courses for students of mathematics, natural sciences, and engineering. The moderate teaching load leaves ample room for further professional development. Courses at Master level may be taught in English.

Applicants should have proven excellence in research in any area of mathematics and possess potential for further outstanding achievements.

Applications with curriculum vitae and a list of publications should be submitted to Prof. H.-R. Kuensch, chair@math.ethz.ch, Department of Mathematics, ETH Zentrum, 8092 Zurich, Switzerland, **by November 30th, 2007**. Later applications can be considered for remaining positions. In addition, three letters of recommendation supporting the application should be sent directly to us. ETH Zurich specifically encourages female candidates to apply.

The Ohio State University at Lima

Assistant Professor of Math

The Ohio State University at Lima invites applications for a full-time, tenure-track Assistant Professor of Mathematics. The appointment will be made in the Department of Mathematics at The Ohio State University and begin in September 2008.

The search committee seeks mathematicians who can make a strong commitment to the teaching, research, and outreach missions of The Ohio State University. The successful candidate will have the ability to teach the courses that the Department of Mathematics offers at undergraduate level. The standard teaching load for the successful candidate will be six courses per academic year (Ohio State is on the quarter system), reduced to five courses for the first three years of service. An ability to teach courses in Computer Science and/or Statistics, as well as remedial math courses will be desirable. The position will require a strong record/potential of service and scholarly research, and a demonstrated commitment to teaching excellence is essential. Preference will be given to hiring a tenure line faculty with specialization in Numerical Analysis/Integral Equations. We will also consider applicants in all other areas compatible with the rest of present faculty's research interests (Ring Theory, Representation Theory and Model Theory). Candidates must have a PhD in hand at the time of appointment. Salary is competitive.

The Ohio State University at Lima is one of the five campuses of The Ohio State University. Current enrollment on the Lima campus is 1,200 students and there are approximately 100 full- and part-time faculty in all academic departments. Ohio State Lima offers the first two years of the Ohio State general education curriculum and nine programs leading to baccalaureate degrees. Ohio State Lima also offers Master's degree programs in Education and Social Work.

The review of applications will begin November 20, 2007 and will continue until the position is filled. Please send a cover letter, a current curriculum vita, and three letters of recommendation to:
Chair, Math Search Committee
c/o HR Officer Kathy Baker
Public Service Building
The Ohio State University at Lima
4240 Campus Drive, Lima OH 45804

To build a diverse workforce, Ohio State encourages applications from individuals with disabilities, minorities, veterans, and women. EEO/AA employer.
